Tonight's Game

Tigers Ride Herd On Antelopes

When the Fort Hays Kansas State Tigers take the field tonight, it will be the first time under Coach Tom Stromgren at Lewis Field Stadium and the Kearney State Antelopes will be the visiting team ready to lock horns in what should be a hard-hitting, aerial-minded game.

The Tigers stubbed their toe at Northwestern Oklahoma by losing a 34-6 encounter while the Lopers were tagging Eastern Montana 22-17. Fort Hays returned 11 lettermen while Kearney opened the practice session with better than 35 monogram winners plus a half-dozen All-Conference choices.

Coach Tom Stromgren wasn't too happy about the first loss although no coach can be happy about losing. "We didn't play well but you can't sell Northwestern short, they were a fine ball club, probably as fine a team as we're going to meet this season," Stromgren stated. "We'll have to play a better brand of ball if we expect to win in the RMAC."

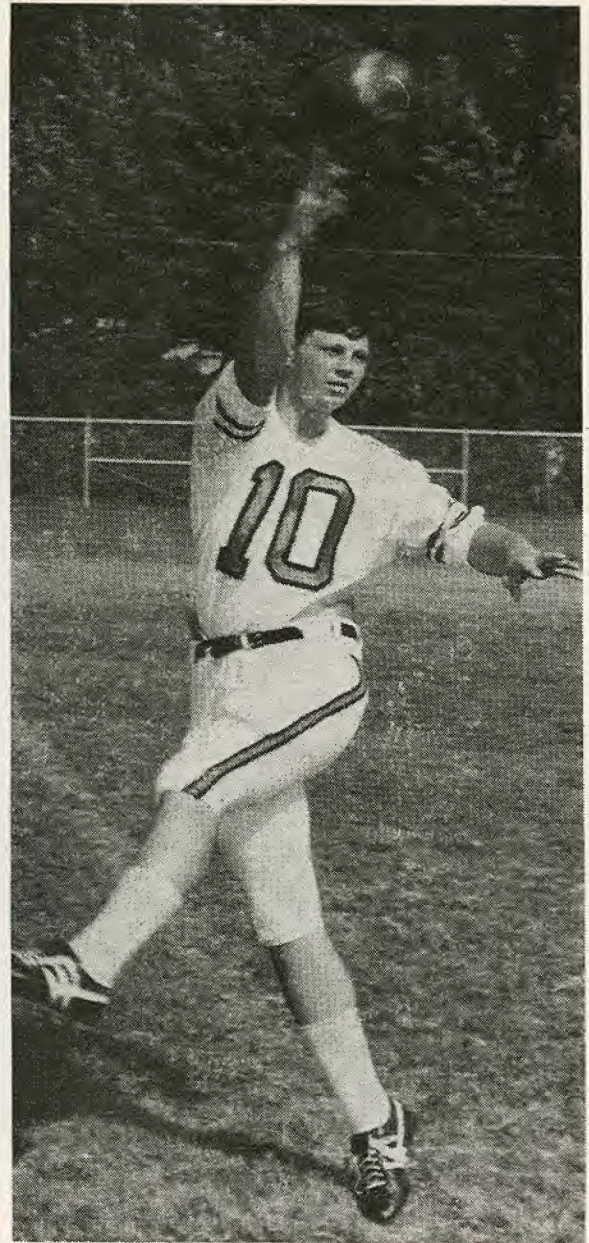

Tommy Evans was the outstanding player for Fort Hays in the opener as the "Mini-Brute" hustled for 69 yards on the ground and 78 in pass receiving. It was on a busted pass play that Evans, a secondary receiver, took a short pass from John Covington and rambled 50 yards for a touchdown late in the final period at Alva last week.

John Covington didn't have one of his best running nights but his passing game looked good enough to be effective if the protection can be beefed up. Covington tossed for 140 yards while hitting 42 per cent on 8 of 19. Kenny Caywood was one of his best targets catching 3 passes for 41 yards while Evans had two receptions.

Comparing the two clubs statistically, Fort Hays rushed for 48 yards while Kearney gained 150 against Eastern Montana. The Tigers lost 81 yards, most of it on Covington's attempts to pass, while the Antelopes had 16 on the minus side. In passing, Davis hit 11 of 25 for 16 yards and 2 touchdowns while Tiger John Covington was 8 of 19 for 140 yards and 1 score.

Frank Tappan drew praise for his defensive effort in the Alva game as the husky senior won Stromgren's "Sic 'em" Award. The award is to be given to the Tiger who did the best defensive job in each game. Tappan had 20 assists and 1 unassisted tackle against Northwestern.

The final analysis will be drawn on the field but on paper both clubs look capable of holding their ground. In the series between the two clubs, Fort Hays holds a 12-9 edge by winning 3 of the last 4 games played. Kearney won last year 29-10.

ROCKY MOUNTAIN *Athletic* • CONFERENCE •

RMAC Marks 60th Year

As college football celebrates its centennial this year, the Rocky Mountain Athletic Conference, second oldest in America, is marking its 60th anniversary.

Although it was chartered in 1909, the RMAC actually dates back to 1889, with the formation of the Colorado Football Association. Members were Colorado College, Colorado Agricultural College (now Colorado State University), Colorado School of Mines, the University of Colorado, and the University of Denver.

Need for more stringent rules governing eligibility and recruiting prompted the reorganization of the same group in 1909, as the Rocky Mountain Conference.

The conference expanded, with the addition of the University of Utah in 1910; Utah Agricultural College, 1914; Montana State College, 1917; Brigham Young University, 1918; University of Wyoming, 1921; Colorado State College, 1924; and Western State College, 1924.

In 1937, rapid growth prompted the "big seven" to withdraw and form the Mountain States Conference, which consisted of Colorado, Colorado Aggies, Denver, Wyoming, Brigham Young, Utah and Utah State.

Idaho State College and Adams State College joined the RMAC in 1949 and 1956, respectively; however, Idaho State and Montana State dropped out in 1950. Colorado College, in a deemphasization program, withdrew in 1962.

The four remaining Colorado members kept the con-

ference alive, and merged in 1967 with the five-member Central Intercollegiate Conference of Kansas and Nebraska. Six independent colleges and universities were added to the newly expanded RMAC, which was organized into a Plains Division and a Mountain Division, with provision for championship playoffs between division winners in football, basketball, and baseball. Conference-wide meets are held in cross-country, track, swimming, wrestling, golf, and tennis.

Members of the Plains Division are Colorado State College, Fort Hays State College, Kansas State College of Pittsburg, Kansas State Teachers College (Emporia), Southern Colorado State College, the University of Nebraska at Omaha, and Washburn University.

Members of the Mountain Division are Adams State College, Colorado School of Mines, Fort Lewis College, Regis College, Southern Utah State College, Western New Mexico University, Western State College, and Westminster College (Salt Lake City).

Although it covers a five-state area, the newly aligned 60-year-old RMAC got off to a good start last year and awarded championship trophies in eight sports. The first football championship playoff will be held this year.

The old saying that "there always will be an England" may well be paraphrased to reasonably justify the statement that there will always be a Rocky Mountain Athletic Conference.

New Head Coach Tom Stromgren

New Field Boss Set For 1969 Football In "Sic 'em" Season

Into every life a little rain must fall the saying goes. However, if you are a football coach, that kind of rain is something you can live without.

New head coach Tom Stromgren carries a big umbrella as he enters season number one at Fort Hays Kansas State College and the weight of winning football games falls squarely on his lean frame.

Now it's 1969 and the new Stromgren "Sic 'em" season is underway full tilt. It is filled with high hopes but clouded with two below .500 years. However, a new coach, a new league and a multitude of newcomers make the outlook bright to at least break even. Eleven old faces still romp the practice field and are the hope to lead the way into the newly reorganized Rocky Mountain Athletic Conference flag chase. Stromgren brings nine years of coaching experience into the race and hopefully the cure for the Tiger gridiron perdition.

Stromgren's coaching philosophy is a simple one but has given him a 55-19-3 record which adds up to a 71.4 winning percentage. "We have fun and we want our kids to have fun" is the way he describes his philosophy. "We want to win because we think winning builds character. That's the way our society is. Today a loser is nothing."

Stromgren has coached at Solomon, Herington and Emporia High with a stint at College of Emporia where he won 13, lost 4 and tied 1. In his last season at C of E, he went 8-1 with the only loss to Ottawa University, the eventual KCAC champion. After his final year at Emporia, he worked for two years for the A. H. Robbins Drug firm before taking the Fort Hays Kansas State College job.

David L. Meckenstock

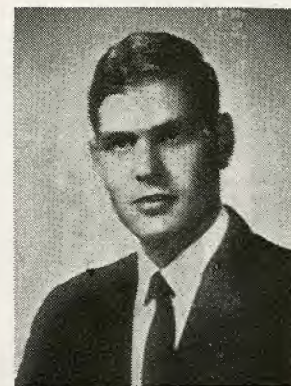

John Eck

Sam Selley

Clem H. Ast
District Manager

Dwight A. Williams

Fred L. Patterson

W. E. Meckenstock

Already in 1969 these men have surpassed the coveted \$1,000,000 in the sale of personal and business life insurance.

It is with extreme pride that we pay a special tribute to these seven career underwriters.

The specialized knowledge and ability that have made this achievement possible and, in turn, earned this recognition, can be of help to you in adapting life insurance to your needs, both personal and business.

Bad Year For Kearney Spells More Hustle In 1969

After the worst season is Coach Allen Zikmund's 14 years, the Kearney State Antelopes have geared themselves for a return to better than their 1968 5-4 record and they have plenty of returning talent among the 49 experienced players reporting for early drills. With a 20-16 win under their belt over Eastern Montana, the Lopers are expected to be one of the better ball clubs to face the Fort Hays Kansas State Tigers this season.

Minus All-American Rich Osentowski who passed for better than 1,100 yards last year, the Lopers will have a tested backup man in Scott Davis. A total outlook on the Kearney Staters would have to be rosy as their leading scorer returns in halfback Bob Buller who tallied 48 points, caught 23 passes for 377 yards and rushed 119 times for 547 yards (4.6 average) to lead the latter category. The 6-0, 190-pound senior also had a 36.5 punting average on 57 boots last year with one against Fort Hays of 87 yards to set a new school record.

Several All-Nebraska College Conference and NAIA All-District players return to help with the rosy forecast. Dan Abernethy, a 225-pound junior linebacker; Grant Sparks, a two-year letterman guard; Jim Zikmund, top safety on defense and Gary Thompson, fine offensive end, constitute the foundation for 1969.

Looking at several of the Kearney top returnee's statistics finds Zikmund, the head coaches son, topping the pass interception category with 7 last season. He made the All-NCC in 1967, his freshman year and was All-NCC and All-NAIA District. Thompson was the fourth high scorer with 40 points as he had 16 receptions for 174 yards. He too was an NCC and NAIA District choice but as an honorable mention. Tom Kaminski, 220-pound noseguard, and linebacker Ed Mahon, 230-pounds, beef

up the defensive unit and halfback John Makovicka should team with Buller at a running slot. Makovicka rushed 73 times for 421 yards last year for a 5.8 average to lead the team and caught 14 passes for 224 yards.

Quarterbacking will be of major importance to the Antelopes and Scott Davis is the heir apparent. In 1966, he hit 4 of 12 for 40 yards and 2 touchdowns. In 1967, he was 12 of 26 for 308 yards and 3 scores. He also rushed for 102 yards in 76 attempts. The year 1968 was his best as Davis hit on 33 of 86 for 704 yards and a banner 9 TDs for his best effort and gathered 40 yards in 35 rushing attempts. An able leader, Davis should provide a tough threat for the Tiger defense.

★ ★ ★ ★

Football Is A Family Affair

Coach Allen Zikmund hasn't many problems at home talking football as his daughter Sally is a cheerleader and his son Jim is the starting safety for the Antelopes. Football at Kearney, at least for the Zikmunds, is a family affair.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives.†

"The World's Worst Right Guard" – Our President

"The World's Worst Right Guard" is the way Dr. John W. Gustad described himself when referring to his brief encounter with college athletics at Macalester College in the early forties. He did, however, earn his letter for his efforts and now becomes the fifth president in the 67-year history of Fort Hays Kansas State College.

Dr. Gustad succeeds Dr. M. C. Cunningham who retired this past summer. Prior to his coming to Fort Hays, Dr. Gustad was the coordinator of State Colleges in Nebraska. A native of Minnesota, he was graduated from Central High School in St. Paul in 1940. He received his bachelor's degree in English Literature from Macalester College, St. Paul, in 1943. Following service in the navy from 1943 to 1946 he returned to the University of Minnesota where he earned a masters degree in psychology in 1948 and a Ph. D. in the same field in 1949.

Prior to becoming Coordinator of State Colleges in Nebraska in October, 1968, Dr. Gustad served as associate dean of the college of arts and sciences at Ohio State University from 1966 to 1968; provost and dean of the college of New College, Florida from 1963 to 1966; dean of the college of liberal arts, professor of psychology and acting dean of the graduate school at Alfred University, Alfred, N. Y., from 1960 to 1963; professor of psychology and director of the university counselling center at the University of Maryland, from 1952 to 1960; assistant professor of psychology and director of the university counselling center at Vanderbilt University from 1949 to 1952; and instructor in psychology at the University of Minnesota from 1947 to 1949.

In addition he has held temporary positions and consultantships at Ohio State, Yale, Harvard, Maryland and Cornell Universities and George Peabody College, the U. S. Navy, the U. S. Army, the New England Board of Higher Education, American Association for the Advancement of Science and the Southern Regional Education Board.

Dr. John Tomlinson, associate professor of political science and chairman of the faculty committee which helped select Dr. Gustad, said, "We felt fortunate in getting a man of Dr. Gustad's qualifications and experience. We screened over 75 candidates and found this man to be eminently qualified as an educator and an administrator."

In addition to his teaching and administrative back-

ground, Dr. Gustad is the author and editor of nearly a dozen books and over two dozen articles and papers. He holds membership in 12 professional and honorary societies and has served as a consultant and member of accreditation teams.

Born October 28, 1922 in St. Paul, Dr. Gustad is married and the father of two children. Aside from his reading and heavy writing activities he plays a "bad game of golf." His wife Doris is a former Pennsylvanian and works in ceramics in addition to her homemaking duties. His 23-year-old son is completing work on his master's degree in psychology at the University of Manitoba and has been accepted as a doctoral candidate at the University of Colorado. His 16-year-old daughter is a senior at Hays High this fall.

Francis Uncertain On Harrier Season

"It would be foolish to say that we will have a cross country squad that is better than last year's, yet we could have a fine team," said Fort Hays State's cross country coach Alex Francis.

"Fort Hays State lost a guy named John Mason through graduation at mid-term last year and you don't replace guys like that—ever," Francis said. Mason was undefeated in his last two years of college competition and was the number one cross country runner in small college ranks.

Returning to the squad this year are sophomores Larbi Oukada, Casablanca, Morocco, Alvin Penka, Odin, David McLeland, Great Bend. Penka and Oukada suffered injuries last season that kept them from competing in many important meets. McLeland did not compete last year due to a six-month stint in the service.

Jerry Shelly, a three-year letterman from Ford, is back in good condition after working out most of the summer. Veterans Dick Bruin, Oakville, Ontario, Canada senior, and Jerry Duran, Johnson senior add experience to the squad.

Returning lettermen Dennis Wheatcroft, Ellinwood sophomore, Steve Boehmer, Bern junior, and Herb Camien, Long Island, New York sophomore, are potential help to the team. Also back for another season is sophomore Dave Goering from Sylvan Grove.

The leading newcomer to the squad is Richard Green, Hays freshman, who finished tenth in the 4-A cross country meet last year. Other new squad members are Kenneth Walker, Wathena freshman, Elmo Bailey, Medicine Lodge freshman, and Mark Hill, Newark, Del., senior.
